Immerse yourself in the flavour of Amsterdam...

Two restaurants, two bars and an illy Caffè offer guests the very best of local food & drinks, with a modern European influence.

The underlying principle behind our food and drink offering is simplicity - fresh ingredients, in genuine and inviting settings. Carstens Amsterdam, a newly opened brasserie, offers honest Dutch cuisine with a twist; appetising, yet nothing too far-fetched. 5&33 Kitchen encourages interaction with small sharing plates of Mediterranean-inspired flavours, served in a uniquely creative environment.

Our bars offer world wines, modern international cocktails, artisan spirits and craft beers, served by the fireplace and accompanied by live jazz sessions every other Sunday and regular DJ sets. Coffee, pastries and lite bites are available throughout the day at both bars, and enjoy authentic Italian coffee in our illy Caffè.

Enjoy the best of both worlds: Indulge in true Dutch cuisine for an extensive lunch, served within an hour, and end your day in the vibrant 5&33 Kitchen to savour some Mediterranean-inspired flavours. Or the other way around – it's up to you.
